PROFESSIONAL SUMMARY

Growth & Ecosystem Operator helping developer, creator, and emerging technology ecosystems attract, activate, and retain participants. Experience spans developer onboarding, community growth, creator ecosystems, media operations, and audience development across startups and emerging technology platforms. Combines strategy and hands-on execution across content, community, events, partnerships, and ecosystem growth.

CORE STRENGTHS

Developer Engagement | Ecosystem Growth | User Onboarding | Community Development | Content Strategy | Growth Operations | Creator Programs | Partnership Development

PROFESSIONAL EXPERIENCE

AVA LABS

Developer Engagement Manager | Oct 2024 – Oct 2025

- Engaged 9,000+ developers and drove 6,900+ visits to ecosystem resources, programs, and events through targeted outreach and onboarding initiatives.
- Managed developer engagement funnels spanning 4,400+ initial interactions, 3,500+ continued conversations, and 600+ follow-up engagements.
- Improved participation outcomes through onboarding optimization, educational resources, incentive-driven messaging, and developer activation programs.
- Delivered social listening insights and performance reporting that informed ecosystem, product, and marketing decisions.

WEB3 METAL / CYBER METAL RADIO

Founder & Growth Lead | Oct 2023 – Present

- Co-founded and helped grow a creator ecosystem that generated 1,765 artist submissions, 200,000+ listens, and 16,000+ community interactions in 2025.
- Developed onboarding systems, recurring programming, rankings, creator initiatives, and participation frameworks that encouraged long-term engagement.
- Led creator outreach, content strategy, growth initiatives, and ecosystem development efforts.

EDGE OF COMPANY

Web3 Social Media Manager & Podcast Producer | Jan 2022 – Dec 2022

- Contributed to growth that included 24,000 additional profile visits, 35% follower growth, and a 49% increase in YouTube watch hours.
- Built audience engagement programs across podcasts, livestreams, social channels, and Twitter/X Spaces.
- Supported live event production and hybrid broadcast operations for Outer Edge LA.

FIGHT LEGENDS

Web3 Gaming Community Lead | Jan 2021 – Dec 2021

- Built a recurring YouTube developer update series that turned product development into community programming for an early-stage gaming startup.
- Managed production planning, co-hosting, video editing, and promotional campaigns supporting each release.
- Contributed to a 25% increase in YouTube subscribers and approximately 30% higher social engagement during campaign periods.

COINTELEGRAPH MEDIA

Social Media & Content Manager | 2020

- Supported audience development and community growth initiatives for emerging technology startups across the blockchain ecosystem.
- Collaborated with founders and startup teams to identify target audiences and execute content, social, and engagement campaigns.
- Helped translate growth objectives into community programs, content initiatives, and audience development strategies.
